

Make Every Shot Count

2025

Additional Information for Distributors

Conference Start/Ending Times for Distributors

Please plan to arrive on Sunday, May 4th and depart on Wednesday, May 7th.

The show will kick off on Monday, May 5th at approximately 8:00 a.m. The conference will conclude on Tuesday, May 6th at approximately 5:30 p.m. Please see a more detailed schedule on the inside of this brochure.

Distributor Protocol

Since rotation meetings are structured so that each distributor has the opportunity to meet with every supplier, distributors must plan to attend **ALL** rotations. If you are attending multiple shows (i.e. Industrial or Janitorial), your company will need to have at least one attendee present in each of those halls for the duration of the conference. All shows will take place simultaneously in separate halls.

Special Promotions

DPA distributors who attend the conference will receive special offers from our exhibiting suppliers. These show special promotions will be emailed to you a few weeks before the show. Cash prizes will be awarded to distributors who place orders with the most suppliers and the largest volume of orders at the show.

Dance Card

At the conference, all distributors will receive a dance card with a list of suppliers that are exhibiting. Each supplier must initial your card during the rotation meetings to show that you met with them at their booth. At the end of the conference, your dance card will be collected by a DPA staff member.
