

Palmer Fixture Company presents the new InSpire!

INSPIRE INNOVATION.

The NEW InSpire is the next level in
Electronic Dispenser Hand Drying!

With a simple, compact design, the new InSpire offers an efficient hands-free operation. Not only is it the quietest towel dispenser on the market, it's the SMALLEST towel dispenser available in its class!

An extremely easy to load dispenser with a sophisticated sensor, making for more precise control of paper consumption. The InSpire is a versatile dispenser for a variety of environments.

Compact Design:

- Small Footprint - still accommodates a universal 8", 800' roll
- Smallest dispenser in its class
- Measures only 8 7/8" deep, 11.5" wide and 13.24" tall
- Ergonomic, simple design

Think Outside The Restroom:

- A small design offers great versatility, the InSpire will fit nicely in a variety of settings:
 - Restrooms
 - Classrooms
 - Health Care Facilities
 - Bars & Restaurants
- Automatic, hygienic, hands-free operation
- Paper is fully protected until user is ready
- Design and operation is ADA Compliant
- Innovative, cost saving, electronic dispenser

Environmental INSPIREation:

- Consistent, fast delivery of 11" sheets of paper
- Eliminates paper waste with a stub roll tray
- Operates on 4 "D" Batteries with easy access compartment
- Long battery life - 75,000 dispenses or up to 2 years
- AC Adapter compatible
